# ENGAGING GLOBALLY

**CYTO 2023 | May 20-24 | Canada**  
*Montréal, Quebec*

**EXHIBITOR  
& SPONSORSHIP  
PROSPECTUS**

## Dear Exhibitor Colleagues,

It is our pleasure to announce the exhibit and sponsorship opportunities for CYTO 2023, the Congress for the International Society for the Advancement of Cytometry. ISAC's 36th International Congress will be held from May 20-24, 2023, in Montréal, Québec Canada.

Attendees will participate in an exciting program: "Cytometry for all in Montreal!" This program will showcase the state-of-the-art in cytometry technology, cytometry science, and new advances in the biological applications of imaging, cytometry, and single cell analyses.

Attendees will hear world class presentations from the leaders in molecular & cell biology, biophysics, and photonics. Montréal is a city renowned for its culture, diversity, and beautiful location along the St. Lawrence River. It is home to some of the most distinguished universities in Canada, and is one of the world leaders in space science. We invite you to be a part of this exciting meeting that is sure to provide you with valuable business opportunities.

Interest in single cell analysis using cytometry continues to grow in the areas of basic, translation and clinical science. The power of this technology to identify new approaches to diagnose, treat and prevent disease, as well as to expand our knowledge in areas of food, environmental and non-human biology, is today revolutionary. More than many other fields, the synergy between scientists and biotechnology is vital for impacting public health and basic research world-wide.

We look forward to having your company be a part of this community! Your participation will be brought to the attention of many thought leaders, decision makers, current and new customers who will attend CYTO 2023 in Montréal.

In our effort to continuously improve your CYTO experience, ISAC has gathered suggestions through surveys, focus groups, our exhibitor town halls, and by speaking to you individually. We value this input tremendously and are continuing to strive to provide the exhibitor and sponsorship experience that will support your needs. Foremost, is increasing opportunities for both attendance in the exhibit hall and enhancing the flow on the floor to give you maximum exposure to current and potential customers.

We want to once again express our gratitude to the companies who exhibited at and sponsored events at CYTO 2022 or other past congresses. We look forward to seeing you again at CYTO 2023 and welcome your support. Please do not hesitate to contact CYTO 2023 Exhibit Management (**Tel. 845-243-2906, [kris@herlitz.com](mailto:kris@herlitz.com)**) if you have any questions.

Our outstanding program of cutting-edge scientific sessions, workshops and tutorials will attract the very best in the field. Montréal is where your company will want to be in May 2023!

### Benefits of Exhibiting at CYTO 2023

- Take advantage of marketing and promotional opportunities to increase exposure and secure qualified leads.
- Interact with cytometry professionals from all over the world.
- Earn priority points for each year of meeting participation, sponsorship purchase and commercial tutorial hosting.
- Welcome reception, happy hour, social events, and refreshment breaks scheduled to bring decision makers to you.

### Exhibitors Receive

- One complimentary full attendee registration to each exhibiting company, providing your staff the opportunity to network in an educational setting.
- Six complimentary exhibit booth personnel badges per each 10' x 10' booth space. Additional exhibitor badges will be \$250 each
- Listing on the Congress website (Virtual Floor Plan) recognizing your company as a 2023 exhibitor.
- Company listing in the online Congress Mobile App with a 50-word description of your products and services.
- 8' high back drape and 3' high side divider rails.
- 7" x 44" identification sign for booth includes company name and booth number.

### Exhibit Space Fees

|                      |            |
|----------------------|------------|
| Booth Size 10' x 10' | \$3,600.00 |
| Corner Booth         | \$3,800.00 |
| Island Booths        | \$4,000.00 |

**All prices are in US Dollars** and are based on 10' x 10' spaces.

### Space Assignments

**The early deadline for booth assignment based on priority points is January 20, 2023.** Applications received online will be assigned booths based on accumulated priority points; priority points are the participation and loyalty reward system for CYTO Exhibitors and Sponsors.

Accumulated points determine space selection order for the Congress. Companies receive one point per booth purchased, for a maximum of five points. In the case of company mergers, exhibit management will use the highest number of years exhibited in calculating priority points. Priority points may also be earned through sponsorship support or for hosting a commercial tutorial.

Exhibitors will be notified of booth assignment by February 3rd. Starting February 6th, 2023, the online booth application will be open to exhibitors on a first come first serve basis, based on space availability.

### President's Reception

Call for Pricing and Support Levels

### Presidents Reception Fundraising Event Saturday, May 20 – 19:00–21:00

At ISAC, we put our communities at the heart of everything we do. It's what we call our civic mission. Our ambition is to strive for excellence in our civic mission activities by being committed to working with stakeholders across the global cytometry community. Sponsorship of the Presidents Reception would provide a huge boost to our capacity to deliver a successful fundraising event and provide as many funds as possible to these deserving missions.

At the reception we will showcase and celebrate three of ISAC Civic Mission Projects: Instruments for science, Live education program, and CYTO-Youth. [Click here for details.](#)

The event will be open for all CYTO attendees (with a requested donation), include sponsors/donors, stakeholders, beneficiaries, project teams, ISAC leadership, and local Montreal VIPs.

# Increase Industry Awareness and Enhance Corporate Identity.

## Event Sponsorship

1 Priority Point—\$5,000 (Unlimited Sponsors)

- CYTO First Time Attendee Orientation
- CYTO Innovation Showcase
- Scientific Tutorials
- Closing Reception (\$25,000 if you want to select exclusive)
- SRL Networking Event
- CYTO Women

### BENEFITS INCLUDE:

- Company recognition on event signage outside of session room and Convention center
- 2-3 minutes for sponsor to address audience during applicable event
- Company/logo acknowledgment on walk-in slides during applicable event
- Recognition in conference Program listing.

## Floor Decals

1 Priority Point—\$5,000 (Limit 2)

Lead attendees step by step to the Exhibit Hall Entrance! These decals hold your branding and messaging and are a great way to get in front of the registrants as they make their way to the Exhibit Hall Entrance.

## Congress Notepad and Pen

1 Priority Point—\$4,000 (Exclusive)

Attendees are sure to take note of you! Congress notepads and pens will be imprinted with your name and logo and distributed to registrants. Designed for use during and after the show. You may also provide your own pre-printed notepads and pens.

## Digital Signage

1 Priority Point—\$1,500 (per screen)

Broadcast your Branding to the entire meeting! These Meeting Monitors (55") are strategically placed throughout the convention center to maximize exposure and give your company the benefit of increased visibility outside of the exhibit hall.

## Hotel Key Cards 1 Priority Point—\$5,000 (Exclusive)

Hotel room keys are provided to each attendee upon check-in at the Le Westin Montreal. Your company logo and/or message will be printed on the key card. Be the last name attendees see when they go back to their rooms each night.

## Hotel Key Card Sleeves

1 Priority Point—\$3,000 (Exclusive)

Insert your brand into the hand of every CYTO2023 attendee staying at the Le Westin Montreal headquarters hotel. Sponsor information will appear on our attendees' room key sleeves.

## Attendee Badge Lanyards

2 Priority Points—\$7,500 (Exclusive)

Your company logo will be printed on the lanyard and alternate with the show logo.

## Window and Door Clings

1 Priority Point—\$2,500 – \$4,000

Glass panels and door clings located in the Registration and Exhibition concourse can't be missed, literally.

## Escalator Clings 2 Priority Points—\$7,000–\$9,500

Your branding will "cling" to them as you grab attendees' attention on the escalators every attendee sees everyday every time they enter the Convention Center, ride up to the Registration/Exhibition level. Or choose to brand the "long" escalator that takes attendees to the Meeting Rooms level - either way you are "clingly"!

## Charging Stations 1 Priority Point—\$5,000 (Each)

Be noticed as the attendees are charging up for the day (and night)! These power stations are ready to charge your cell phones, tablets, and laptops and will be placed in high visibility areas in the Palais des Congres and Exhibit Hall.

## Water and Hand Sanitizer Stations

1 Priority Point—\$1,000 (Each)

These different stations are conveniently located throughout the convention center and will keep your company name visible at just the right time.

## The Exhibit Passport \$500 (Each)

This is a popular game created to incentive attendees to visit your booth. More information regarding participation will be located on the conference website in February.

## Show Floor Meeting Rooms

2 Priority Points —\$5,000 – \$8,000

We have 2 size options for these meeting rooms where you are able to meet face-to-face with CYTO attendees in a private setting while maintaining the convenience of remaining on the Exhibit Floor at the Palais des Congres.
